I am a customer of Dominion Energy and oppose the rate increase

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Dominion made several commitments to manage rate increases after the purchase of SCANA. They were obligated to freeze rate hikes for a period of time to compensate customers for the failed nuclear plant. They have not held their end of the bargain and increase rates anyways. The company should be denied any further rate increases.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

No
